Mr. Hobart Lee
517 East Mott Avenue
Flint, Michigan 48505

Dear Brother Lee:

I am so sorry we have had a misunderstanding concerning the Gospel meeting at the Northwestern congregation. According to my records, the meeting was scheduled from November 13-18, 1966. I do understand that there is some event in Flint that week which would conflict with our meeting; and, therefore, you brethren had requested a change. According to your letter of July 6, which I am just now getting to answer, you wanted the meeting in March or April of 1967. Unfortunately, I have no time available in March or April of 1967; in fact, my entire schedule for the year is too full already, and I have been asked by the elders here to take on no further meetings.

I regret this misunderstanding because I had looked forward to working with you. I cherish very deeply our personal acquaintance, and I look forward to a time of spiritual efforts together in Flint. If you desire, you may write directly to Brother Frank Cawyer regarding this and request I be released for some time in 1967.

My suggestion, however, is that we try to schedule a meeting for 1970 or 1972. If this meets with your approval or if you have other suggestions, I will be happy to hear from you in the near future.

I am very sorry that this matter has not been clarified before now. Please accept my genuine apologies. We send you and the entire congregation our very best wishes.

Fraternally yours,

John Allen Chalk
